Cutting Tips and Directions.

Blocks: Fabric is pre-cut. Press out wrinkles.

Sewing Tips and Directions

Tip 1: Trim any excess after sewing.

Tip 2: Check the direction of the diagonal on the left side of the window frame twice.

Tip 3: Sew from bottom up when adding left window frame.

For each block:

1. Sew on the blue bottom strip first. Press open
2. Prepare the red left side of the window frame strip by:
 - a. Place the 2" square over the bottom of the red strip.
 - b. Make a finger press diagonal fold in the square.
 - c. Check that the diagonal is going in the correct direction. That is the corner is at the corner of the patriotic block. (See Picture)
4. Sew diagonal seam. Press open. Trim excess fabric.
5. Pin to match edges. Sew left side window frame to block. Press open
