

**APRIL Block of the Month**  
**SWFQG April 2018**  
**Part Two: Paper Piecing.**

Our April Pattern is titled: Monastery Windows by Marcia Holm. It is an unfinished  $8\frac{1}{2}'' \times 8\frac{1}{2}''$  block made up of four components, two like our March BOM and two with a hexagon. All kits available were sold.

- The BOM team is supplying fabric and the paper templates. Included here.
- The fabric in the kit provides the center squares and hexagons for two (2)  $8\frac{1}{2}'' \times 8\frac{1}{2}''$  unfinished blocks.
- If you saved fabric from March's BOM, you may make more blocks.
- Each block will need 4 paper patterns.
- Make enough copies of the paper pattern for each block.
- Use the kit fabric for your center square or hexagon or both.
- Use fabric from your stash to add the outside triangles.
- For each component, sew, and press the triangles.
- Square up the four sub-pieces to  $4\frac{1}{2}'' \times 4\frac{1}{2}''$  squares.
- Sew four squares together to make an  $8\frac{1}{2}'' \times 8\frac{1}{2}''$  unfinished block.
