

Finished Block Size = 9" x 9"
Block Size = 9 1/2" x 9 1/2"

**Cutting:**

- Cut 2 rectangles 15" x 1 1/2" in **light**
- Cut 2 squares 4" x 4" in **light**
- Cut 2 squares 4" x 4" in **dark**
- Cut 1 rectangle 15" x 1 1/2" in **dark**
- Cut 1 square 3 1/2" x 3 1/2" in **dark** for center square

Sewing:

- Mark the wrong side of both light squares diagonally from corner to corner. Draw a line 1/4" from center line on both sides of center. **(A)**
- Sew one light square to dark square matching corner and edges along the two dotted lines.
- Cut apart down center.
- Press to the dark.
- Trim square to exactly 3 1/2". **(B)**
- Make 4 units.
- Sew the long light rectangles on each side of the dark rectangle. **(C)**
- Press to the dark.
- Check that strip set measures 3 1/2" wide. If not, resew.
- Cut strip set into 4 units 3 1/2" long. **(D)**
- Following the picture above, join the units to create the block. Be very careful of the direction of the triangles.
- Check that the block measures 9 1/2" x 9 1/2".
