

2020 Quilt Show News

Thanks to everyone who has volunteered to chair a committee! We could not have a show, and then would not have a guild, without dedicated volunteers! Thank you all!

We have just a few openings that we need to fill:

Publicity - this position will arrange for ads in various newspapers, websites, guilds etc. We have substantially increased the budget for this task. We will offer as much support as you need. Do you have a friend you could share this position with? You do not have to be here year-round!

Program Ads - this position is responsible for collecting ads for the show program. These can come from, vendors, local quilt stores and even other guilds. You do not have to be here year-round to do this job!

Silent Auction - this really needs to be a committee, but the chair would ensure that items are collected for the silent auction at the show; would hang and track the items for sale and collect the proceeds. Help from prior chairs is available. Also, a great job for 2-3 people to share.

Signage - this position is responsible for either printing or ordering the printing of all signage used in the show. The various chairs will tell you what they need for the show and you can either print them off or have them printed. On the first day of the show we will need signs to stick in the ground so people know they are headed in the right direction! Nothing much to do until just before the show!

If you can help with any of these VERY important remaining jobs please contact Joyce Grande jgrande2@comcast.net or 239-599-2957.
