Exposure to new clients and of course sales.

What suggestions do you have to make your experience at our show better in 2028?

- Maybe include an art/high end items/vendors outside of quilts/sewing. Probably a "jury selection" process so that you have just top quality vendors and not "CRAFT SHOW" STUFF, IF you were to include others.
- Perhaps more outside signage.

It turned out ok, but a long arm retailers next to each other was different for us. A bit more distance between us would have been preferred.
