

Quilter's Moonshine

This recipe makes a little over a gallon so be prepared to make it in a bucket or **large** bowl and then transfer to other containers.

Mix well:

1 gallon of distilled water

1/2 cup liquid starch (Sta-Flo)

1 cup potato vodka (cheap is fine)

You can add up to 4 teaspoons of your favorite essential oil for a scent, if you'd like.

So there you have it! Vodka really does have a place in the sewing room.
