Supplies Needed:

- 1 - 8-inch square of fabric
- 1 - 7-inch square of fabric
- 4 - 5-inch squares of fabric
- 1 - 2x6 inch rectangle of fabric
- 1 - 8-inch square of Insulbrite or similar insulated batting
- 1 - 8-inch square of regular batting

Making the loop

1. Fold the 2x6 piece in half and press,
2. Fold outside edges in to the center press line and press again
3. Fold in half, press and stitch around the edges.

Making the holder

1. Layer
 - a. Insulbrite on bottom with shiny side down
 - b. 8-inch square of batting
 - c. 8-inch square of fabric
2. Place loop with raw edge near the edge of stack and pin in place (loop is inside away from edge).
3. Fold the 5-inch squares in half forming four triangles and place triangles in corners.
4. Stitch around outside edge, catching loop and triangles.
5. Trim the corners and turn triangles to the other side.
6. Insert the 7-inch piece of fabric into the opening
7. Top stitch around the outside of the opening. You can also stitch around the inside if you choose or use a decorative stitch if you like.
